# TAPPED!

GASTROPUB

Dinner Menu // 5p - 11p

Welcome to TAPPED Gastropub!

TAPPED began as a vision of the modern “public house” - a place where the community could gather together and enjoy fresh, local foods and drinks in a comfortable environment. At the core of our vision was a principle to respect our patrons and support our community.

At TAPPED, we make every effort to support our local fishers, farmers, and brewers, and we are proud to serve their diligently grown and passionately crafted goods to you. Our food is made from scratch using the finest ingredients from all around the region, including fresh seafood, free-range chicken, and Hereford beef, while reducing the amount of gluten, trans-fats and high-fructose corn syrup in our recipes.

TAPPED offers a large variety of unique craft beers, wines, and specialty cocktails, and we are always adding new beverages to our selection. For the adventurous palate, catch a beer flight and discover your new favorite brew. If you're in the mood to pour your own pint, sit at one of our draft beer tables and pour at your own pace from the taps at the table.

If you have any questions, don't hesitate to ask.
